OUR CAMPUS

“
The Chargers have won more than 100 state championships. We can support our hardworking and dedicated athletes by providing them with the best facilities for safety and continued success.

”
Taryn Bachis,
Athletic Director

THE HARPER STADIUM COMPLEX **Goal: \$1 Million**

Academy student-athletes gain lifelong lessons in the value of competition, perseverance, hard work, and the true meaning of teamwork. Physical and mental challenges in a team setting offer athletes the opportunity to develop leadership skills, self-confidence, and a commitment to others that will inspire them to lead productive and active lives.

Renovating and enhancing our football/soccer/track stadium will support our student-athletes and energize the Charger community. Gifts of any amount can be designated to the Harper Stadium Complex project and in a person's honor. Donors who give \$15,000 or more will be recognized on a commemorative plaque in the updated Harper Stadium Complex.

TRACK **Goal: \$475,000** The nine-lane track that supports the Academy's cross country and track teams and our physical education classes has been used year-round for nearly 30 years. It has deteriorated and requires drainage and dangerous surfacing issues to be addressed, ensuring the safety of our athletes.

LIGHTS **Goal: \$250,000** With the resurgence of our football program, along with the perennial strength of our soccer, track, and cross country teams, we hope to install lighting onto the field. Evening games will energize the community, support track meets, and allow for other outdoor community-building activities in the evenings.

THE CHARGERS CENTER **Goal: \$200,000** We wish to construct a new multipurpose facility near the northwest corner of the track that will include a concession and spirit stand, public restrooms, and a shaded community space that can also be used for classes and other gatherings. We envision the entire Academy community and campus visitors using the center, which can be named for a donor who fully funds the project.

SCOREBOARD **Goal: \$75,000** Our venerable scoreboard is ready to retire. We will replace it with a new scoreboard with greater capabilities and reliability, keeping spectators informed and creating memorable game-day experiences. For fully funding this project, the donor's family or company's name will be on the display.

ALBUQUERQUE **ACADEMY**
