

“  
 Academy’s tuition assistance changes lives. That’s what drew us to the Academy, along with our desire to work at one of the world’s strongest and most interesting schools. It is humbling and heartwarming for us to be connected to the Academy’s mission in this way knowing that there are so many deserving students yet to come.”

Andrew Watson,  
 Head of School

## The Andrew and Carol Watson Tuition Assistance Fund

**T**he Andrew and Carol Watson Tuition Assistance Fund will provide financial support for families who qualify for tuition assistance, enabling deserving students to attend the Academy by sustaining one of the pillars of our school’s mission.

Andy and Carol came to Albuquerque Academy, rather than considering

other schools, because of our mission. In particular, they were drawn to working in a world-class school that strives to provide life-changing opportunities to students from throughout the region and the socioeconomic spectrum.

As we thank them for their 19 years of service to the Academy and wish them well for the rest of their adventures together, nothing seems more fitting than to establish a named endowed fund in support of our school’s mission, and theirs, in perpetuity.

Making a gift to an endowed tuition assistance fund is rewarding and gratifying as donations will help provide an outstanding education to talented students. Albuquerque Academy resources are devoted to ensuring economic accessibility and to providing nearly \$5 million in tuition assistance annually. This need-based support, in addition to the endowment support provided to all students, helps ensure admitted students can attend Albuquerque Academy regardless of their financial circumstances.

Rather than setting a dollar-amount goal for this fund, we hope it will begin strong and continue to grow in the future, changing more and more lives for the better, creating a lasting legacy at Albuquerque Academy. Please join us in this special effort to endow the Andrew and Carol Watson Tuition Assistance Fund. The names of donors to this fund will be shared with Andy and Carol in May 2020 when we honor their service to our school. Thank you for your thoughtful consideration of this unique request.
