

Community Support is needed!

Giving TREE

Catholic Charities supports over 50 refugee families and wishes to provide each family with a much needed gift card through our Christmas Giving Tree. These cards should be from Walmart, Target, Smiths, Albertsons or Dollar Tree and will be used for necessities such as food, cleaning supplies, clothes, shoes and personal items as needed by the family.

To safely get the cards out to our families, we ask that all gift cards be mailed directly to:

Catholic Charities

2010 Bridge Blvd. SW

Albuquerque, NM 87105

Attn: Giving Tree - Refugee Support

Please put in the mail by December 4, 2020

These families have journeyed so far ...

Catholic Charities' Center for Refugee Support provides educational and career programs for the many refugee families that have resettled in Albuquerque. These programs aim to create a path for families and individuals to participate in their new community through education, personal empowerment, leadership opportunities, community engagement, career prospects and the pursuit of citizenship. Catholic Charities is dedicated to providing meaningful support to help these families strengthen their foundation in America as integral members of our community.

Current International Programs for youth are held virtually at the present time and include:

- International Club After-school for middle school students
- Learning Partners Peer Tutoring
- Computer Wizards
- Girl Power!
- World of Wellness
- Future Pathways Academy

Thank you for supporting these amazing families on their journey.
